Operational workstations with shared layout, ready to receive accessories and ideal to meet the needs for modern and performing work space.

Front panels in printed felt outline the working areas and create optimal acoustic comfort, locally and in the whole environment.

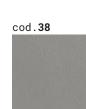

Front panels in printed felt with acoustic and separation functions.

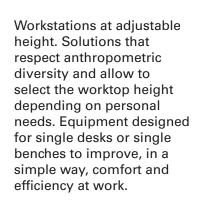

Desks with frame resting on storage units.

Adjustable leg height and measure references.

cod.BI 02 cod.68

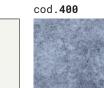

The service furniture perfectly meets its structural function, creating interesting games of surfaces and volumes.
In addition to perfect storage, this collection ensures adequate wiring of each workstation.

Double bench with printed felt partition, shorter than the worktop.

During fast operational meetings held between workstations, the need for high and protected tables becomes a priority.

Team table with acoustic panels to hold meetings, standing or sitting on stools.

Trestle legs are the iconic legs of work benches.
This collection is enriched by a stylistic variation which integrates with storage units and accessories.

cod.31

Metal legs are partly resting on the service storage unit.

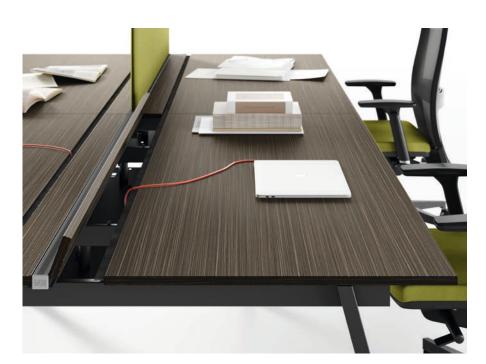

Double-bench workstations rest on service storage units, that provide filing and wiring space.

cod.**63**

The workstation wiring is ensured by convenient flap-door top access traps.

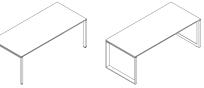

Executive desks are interpreted in a modern way, maintaining aesthetic and functional logics, consistent with the operational version.
