

# ELITE

Design by Progetto CMR

Elite è il sistema direzionale dal design essenziale e contemporaneo, caratterizzato da superfici e volumi sovrapposti e dettagli eleganti. Lo spessore costante e la giunzione tra piano e gamba a 45 gradi accentua e caratterizza il design del prodotto.

*Elite is the executive system with an essential and contemporary design, characterized by overlapping surfaces and volumes and elegant details. The constant thickness and the 45-degree joint between the top and the leg accentuate and characterize the product design.*

*Elite est le système exécutif au design essentiel et contemporain, caractérisé par des surfaces et des volumes superposés et des détails élégants. L'épaisseur constante et la jonction à 45 degrés entre le plateau et le pied accentuent et caractérisent le design du produit.*

La collezione è caratterizzata da piani in varie finiture e struttura monocolore e da boiserie con mensole e illuminazione LED opzionale.

*The collection is characterised by tops in various finishes and a single-colour structure and by boiserie with shelves and optional LED lighting.*

*La collection se caractérise par des plateaux en différentes finitions et une structure unicolore et par des boiseries avec étagères et éclairage LED en option.*

Vani porta oggetti nella scrivania e vani a giorno nei contenitori.

Storage compartments in the desk and open shelves in the units.

Compartiments porte-objets dans le bureau et rangements ouverts dans les meubles.

Il tavolo riunioni richiama le linee della scrivania, sintetizzandone i tratti. La forma delle gambe pannellate consente un'ottimale fruizione da parte dei capo tavola.

This meeting table is inspired by the executive desk aesthetic lines that highlight its features. The shape of panelled legs allows optimal use of all available seats.

La table de réunion s'inspire aux lignes du bureau de direction, en résumant ses caractéristiques. La forme des pieds à panneaux permet une utilisation optimale des places en tête de table.

cod. 64

**La connessione a 45 gradi, tra piano e gamba, conferisce carattere e stile al prodotto. È la sintesi ideale tra pulizia formale e perfetta tecnica costruttiva.**

La jonction à 45 degrés entre le plateau et le pied augment le caractère et le style de l'ensemble du bureau. C'est la synthèse idéale entre la propreté formelle et une technique de construction parfaite.

The 45-degree junction between top and legs gives character and style to the entire desk. This is the ideal synthesis between formal definition and impeccable construction technique.
