

Neo Chair

A classic item in the world of executive office chairs. Stitches in the same colour as the lining, a new range of fabrics and leathers, the two versions of the armrest and the new mechanism make it ideal to meet different stylistic requirements.

L'imbottitura è sobria e confortevole, caratterizzata unicamente dalle cuciture che disegnano lo schienale. Segni chiari e netti che conferiscono modernità e stile. I braccioli, regolabili o fissi ad anello, riescono a trasformare completamente la poltrona variandone il design, il livello di rappresentatività, la funzionalità.

The upholstery is simple yet comfortable, marked only by the seams lines on the backrest. Clear and neat signs that make it modern and stylish. The armrests, adjustable or fixed and ring-shaped, can completely transform the chair by improving its design as well as the function and position it represents.

← Le cuciture di seduta e schienale creano un piacevole effetto tridimensionale.

The stitching on the seat and the backrest creates a pleasant 3-D effect.

Les coutures de l'assise et du dossier créent un agréable effet tridimensionnel.

Le rembourrage est sobre et confortable, caractérisé seulement par les coutures qui dessinent le dossier. Des lignes claires et nettes qui expriment modernité et style. Les accoudoirs, réglables ou fixés en forme d'anneau, peuvent complètement transformer le fauteuil en variant son design, son niveau de représentativité et sa fonctionnalité.

←
Il poggiatesta eleva e completa lo schienale modificando le proporzioni dell'intera poltrona.

The headrest gives height to the backrest and changes the proportions of the armchair.

L'appui-tête augmente l'élévation du dossier et modifie les proportions du fauteuil.
