executive chairs

LEAD_

Design: Giacobone & Roj - Progetto CMR

A collection of executive office chairs of great prestige, available in three backrest height options and two options for the armrests, in die-cast aluminium and upholstered. A true icon, a symbol of leadership and authority to furnish offices and meeting rooms.

Quality in every detail. Great attention is paid to design, in each and every component, including the base frames that are available in die-cast aluminium or wood, fixed or on wheels.

← Upholstered and finished armrests communicate comfort and high structural quality.

Through its forms and its equipment, Lead communicates the user's position and the function of the environment in which it is set, standing out and characterising it in an ever-new way.

→ The die-cast aluminium armrests lighten the armchair and give it a stylish and modern look.
