Le forme lievemente rastremate permettono l'aggregazione dei pouf in blocchi la cui irregolare geometria crea un piacevole effetto compositivo da variare continuamente.
The slightly tapered shapes allow the poufs to be combined into blocks whose irregular geometry creates a pleasant compositional effect of non-stop variations.
Les formes légèrement fuselées permettent de combiner les poufs en blocs dont la géométrie irrégulière crée un effet de composition agréable qui peut être modifié à volonté.
