cod. 63

L'alternanza dei vuoti e dei pieni e l'effetto di contrapposizione tra le finiture della cassa e dei frontali determinano un effetto estetico nuovo che rende ogni composizione leggera e proporzionata.

The alternation of empty and full volumes, and the juxtaposition of the finishes of the case and front panels creates a new aesthetic effect that makes each composition light and proportionate.

L'alternance entre les vides et les pleins et l'effet de contraste entre les finitions de la structure et des panneaux frontaux déterminent un nouvel effet esthétique qui rend chaque composition légère et proportionnée.

Il fianco e il piano in finitura legno creano uno stacco netto con la struttura. Un effetto di sospensione che alleggerisce e rinnova l'immagine della postazione direzionale.

The side and the worktop in wood finish outline a visual interruption with the structure. A suspension effect that lightens and refreshes the image of executive workstations.

Le côté et le plateau en finition bois créent un contraste clair avec la structure.

Un effet de suspension qui donne légèreté et renouvelle l'image du poste de direction.

Il contenitore ad ante scorrevoli rappresenta un modo nuovo di contenere documenti o di esporre oggetti personali, un passaggio stilistico dalla casa all'ufficio.

The sliding-door storage offers a new way of filing documents or displaying personal objects, a stylistic passage from home to office.

Le rangement à portes coulissantes représente une nouvelle façon de protéger les documents ou de montrer les objets, un passage stylistique de la maison au bureau.

Elite ESSENZA

La collezione aumenta il suo valore grazie all'impiego di due rivestimenti in tranciato di legno per piani ed ante.

L'aspetto tattile diventa fattore discriminante di scelta, il calore e la matericità diventano elementi caratterizzanti che superano ogni considerazione estetica.

This collections features the added value of two veneer finishes for doors and tops. The surface tactile feel becomes crucial in choosing this collection, heat and texture become characterising elements that go beyond any aesthetic consideration.

La collection augmente sa valeur grâce à l'utilisation de deux revêtements en placage de bois pour les plateaux et les portes. L'aspect tactile devient un facteur de choix discriminant, la chaleur et les textures deviennent des éléments caractéristiques qui vont au-delà de toute considération esthétique.
