Personalità Dirompente Great Personality

Per riscoprire la purezza della materia,
per posare l'accento sulla bellezza delle
superfici, per accorgersi che non c'è bisogno
del superfluo. To rediscover the purity
of material, to place the accent on the beauty
of the surfaces, to understand that there is
no need for superfluous things.

La struttura è espressione della costruzione.

The frame is the expression of building.

Partiamo dall'ordine:
ciascuna cosa ha una
collocazione precisa
e merita un posto suo,
secondo la sua natura.
Ciascuno di noi è parte
di quest'ordine, ecco
perché riusciamo
a pensare solo a idee dalle
implicazioni armoniose.

Order comes first:
each single thing has
a specific role and deserves
a proper place according
to its nature. Each of us
is a part of this order,
this is the reason why
we can only conceive ideas
that have harmonious
consequences.

Ecco che anche la comodità non diventa mai banale perché per noi è un valore, quindi necessaria.

A comfortable place will never be a common place for us, because comfort itself is a value, therefore it is absolutely necessary.

É la realtà delle cose che
detta la verità contingente.

The reality of objects
suggests the truth of reality.

La tecnologia è radicata nel passato, domina il presente e si protende sul futuro.

Technology is based upon the past, rules the present and gazes to the future.
